

Welcome to a newly-revamped, and growing, website for The Association for Communication Excellence (ACE).

ACE is an international association of communicators, educators and information technologists. It offers professional development and networking for individuals who extend knowledge about agriculture, natural resources and life and human sciences.

Benefits of membership include discounted fees for annual conferences, workshops and award programs, access to online trainings and Web-based learning resources, opportunities to publish in ACE's peer-reviewed journal and job postings that can open doors to career advancement.

This website is the centerpiece of our organization's growing online presence. Your feedback is important, as ACE works to deliver high-quality professional development and networking experiences for its members.

We look forward to hearing from you. Contact us at ace.info@unh.edu

Call for Proposals Now Open: (click [here](#) or on the link in the top left corner marked 2012 Annual Conference)
